L.I.F.E. TONING-L.-Low, I. -Impact, F.-Fitness, E.-Exercises Toning is a low impact total body workout. Feel your muscles work while you shape your body with weight training.
BOOT CAMP/CROSS TRAINING/CARDIO BOOTCAMP- This class is designed for a total body workout. The interval style training cardio and weight training will bring the maximum results. This is a one hour power class.

KICK & TONE- Inspired by the combination of martial arts and boxing, this super energetic class will boost your power kicks, improve your speed and enhance your agility all while combining weight training.

SPIN/RIDE & SHINE- You are sure to get your heart pumping in this high intensity cardio workout. The class is great for building cardio endurance and sculpting the legs.
CYCLE/SCULPT –thirty minutes of cycle and the rest is total body sculpting.

DANCE FITNESS- A cardio workout that uses choreographed dances - using various styles of dance and music to burn calories.

ZUMBA®- A Latin-inspired, dance-fitness class that incorporates Latin and international music and dance moves to create a dynamic and effective fitness system. Ditch the workout, join the party! **ZUMBA FITNESS** – not just dance but also fitness moves to burn extra calories

POUND- Channel your inner rock star with this full body cardio-jam session inspired by the infectious, energizing, and sweat-dripping fun of playing the drums.

TONING- Feel your muscles burn while you shape your body with weight training. If you want to learn how to use weights and reduce inches you need to take this class.

TOTAL BODY EVOLUTION- A Total body workout with time under tension. You can focus on form, ROM, and true deep muscle strength training.

FIT Barre- An exceptional regime of ballet, Pilates, strength and flexibility training using a chair. The classes are choreographed to the hottest music in a fun, supportive and high-energy environment.

YOGA- This class will teach you proper stretching and relaxation techniques to clear your mind and relax your muscles. It combines the stretching aspects of yoga with a powerful flow.

POWER YOGA- is a fast-paced style of yoga that's focused on building strength and endurance. Power yoga is more dynamic than meditative forms of yoga, and provides a good cardio and strength-training workout.

PILATES- Enjoy improving your strength, flexibility, balance and coordination in a peaceful atmosphere. You will leave the class with a sense of calm energy (and perhaps a flatter tummy).**PILATES & ABS** – 30 minutes of Pilates followed by 30 minutes of abs

BASIC STEP & TONE- This class is a mixture of cardio and strength training moves. Expect Hi/Low floor aerobics for cardio, combined with use of weights and body bars for strength training.

TOTAL BODY CHALLENGE/INTERVAL EXPLOSION- Work your muscles in every way possible in this class designed to build strength, add definition, increase your bone density, and decrease your body fat. You will use hand weights, body bars, tubing, bands and jump ropes to change the shape of your body. No muscle gets neglected.

CORE AND FAT BLASTER/CORE HIIT- Blast your cardio fitness to the next level! This class provides the variety your body needs to see results by combining cardio with specific muscle conditioning that will be tailored to the class's needs from week to week.

SILVER CARDIO- This is an aerobics class that's safe, heart-healthy and gentle on the joints.

SILVER SNEAKERS-Designed to increase muscle strength, range of movement and improve activities for daily living. A chair is used for seated exercises and standing support and class can be modified depending on fitness levels.

TAI CHI - is an internal Chinese martial art practiced for its defense training, its health benefits and meditation. **Additional Fee \$**
