September 16, 2020

The Ashland Area YMCA is excited to announce, per Governor Andy Beshear's signed September 15th executive order permits youth sports to begin and follow the KHSAA guidelines. The Ashland Area YMCA will proceed with soccer games on 9.26.20 at Ashland Central Park. These games will be those who registered and are currently on a team roster from the Spring league. We truly appreciate your understanding and we're excited to begin youth sports.

Thank you

Scott Campbell
